EDUCATION

Diploma in Computer Science and Technology (CST)

Rangpur Ideal Institute of Technology

Running student

ABOUT ME

Full stack developer who builds responsive web applications with React, Next.js, Tailwind CSS, Node.js, Express.js and MongoDB. Diploma student at Rangpur Ideal Institute of Technology and a Programming Hero Batch 13 learner, with three projects built and deployed online. Seeking a full stack developer role where I can grow and contribute to real products.

PROJECTS

Tile Gallery

Next.js · next-tiles-galleryvercel.app

- Tile showcase website with Home, All Tiles and Profile pages, deployed on Vercel.
- Tile cards show type, size and price, and each tile has its own details page.

KnowledgeHub

Next.js · knowledge-hub-chi-rouge.vercel.app

- Online library platform where users browse books by category, with paginated browsing.
- Includes Login and Sign Up pages and a trending categories section on the home page.

Job Application Tracker

JavaScript (DOM and events) · smdshohagmia10.github.io/Assaignment-04

- Tracks job listings with Interview and Rejected status buttons and All, Interview and Rejected filters.
- Shows live counters for total, interview and rejected jobs.

TRAINING
